OFFICE OF LEGISLATIVE COUNSEL

Monday - 11 July 1977

1. [] LIAISON Called Representative Don Edwards (D., Calif.) concerning two of his inquiries. (See Memorandum for the Record.)

3. [] LIAISON Joe Arminio, of the staff of Senator William V. Roth, Jr. (R., Del.), called to ask for unclassified, recent information on Soviet military deployments and disposition as background for planning for a fall trip the Senator intends to make to Europe; he will visit NATO while there. I referred the request to [] DDI/CSS.

4. [] LIAISON I received inquiries from Janice Menke, in the office of Senator Richard G. Lugar (R., Ind.), and Karen Helms, in the office of Representative Marjorie S. Holt (R., Md.), concerning CIA tours. I told them that if the tour program is approved, the tours would probably start sometime in the fall. I made note of their name and telephone numbers and advised that we would be in touch as soon as we had firm information.
